Property on left side of road.

This beautiful farm offers 45 acres of Coastal Bermuda pasture and 95 acres of mature timber. This is the former location of the Highland Games sponsored by the Town of Red Springs for decades. With 1320 feet of road frontage on Highland Games Road, this property would make the perfect horse farm, homesite, or investment for multiple tract sales. The location of this tract is a bonus with close proximity to Fort Bragg and I-95.
