Farmland.

This tract has 45 acres of beautiful farmland with the remainder in pine and hardwood timber. It offers 200 ft. of paved road frontage and is part of a plantation that had the same family ownership for 150 years. The old plantation house is across the street. A 200 year old church currently on the National Historic Registry is only 350 ft from the property line. This is a great opportunity for secluded living yet only 6 miles from the University of North Carolina at Pembroke. Phase 1 of an environmental assessment has been completed. The adjoining property on both sides of this tract is also available.
