Back property line, tract on right side of ditch.

This 70.52 acre tract has 59 acres in farmland with the remainder in 12 year old loblolly pine. There is 3986 feet of paved road frontage. This is excellent farmland but the tract also has development potential or would make an excellent estate homesite. This tract is part of a plantation that had the same family ownership for 150 years. This tract offers secluded country living and yet is only 6 miles to the University of North Carolina - Pembroke. Adjoining 63 acre tract is also available.

Farmland.

Road between 70 acre (on left) and 60 acre tracts.

Road frontage, property on right.
